

A decorative border of yellow stars with black outlines and a slight 3D effect, arranged in a rectangular frame around the text.

## Lakeside EYFS and KSI Home Learning

Hello All,

We hope that all of our families are well and managing to stay in good spirits as the social distancing measures become more restrictive. We wanted to provide you with some fun and educational home learning activities you could try with your child this week. As the weather is so lovely at the moment we have linked many of the activities to the wonderful story 'The Tiny Seed' by Eric Carle. If you don't have a copy of the book don't worry, there is a link to a youtube version. Attached are the suggested activities along with some downloadable work sheets. If you don't have a printer don't worry. Many of the suggested activities can be adapted and done simply in a notebook, on paper or outside. Please also keep reading regularly with your child

Wishing you all the best,

From all the Lakeside EYFS and KSI team.

## Some Home Learning Suggestions:

Read/watch and discuss the story:

**'The Tiny seed'**

Link:

<https://www.youtube.com/watch?v=kZITtrzoK4c>

Plant some seeds and care for the plants as they grow. Keep track of how tall they are by measuring.

Go on a plant or minibeast hunt in your garden.

Make a hopscotch outside.

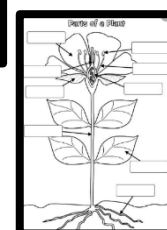

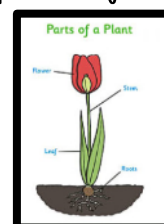

You could even put + or - questions, words or sounds in the hopscotch to challenge your child.

Paint or draw a beautiful picture of a flower.

Label the different parts of a plant.

Write or talk about the instructions you need for planting and caring for a seed.

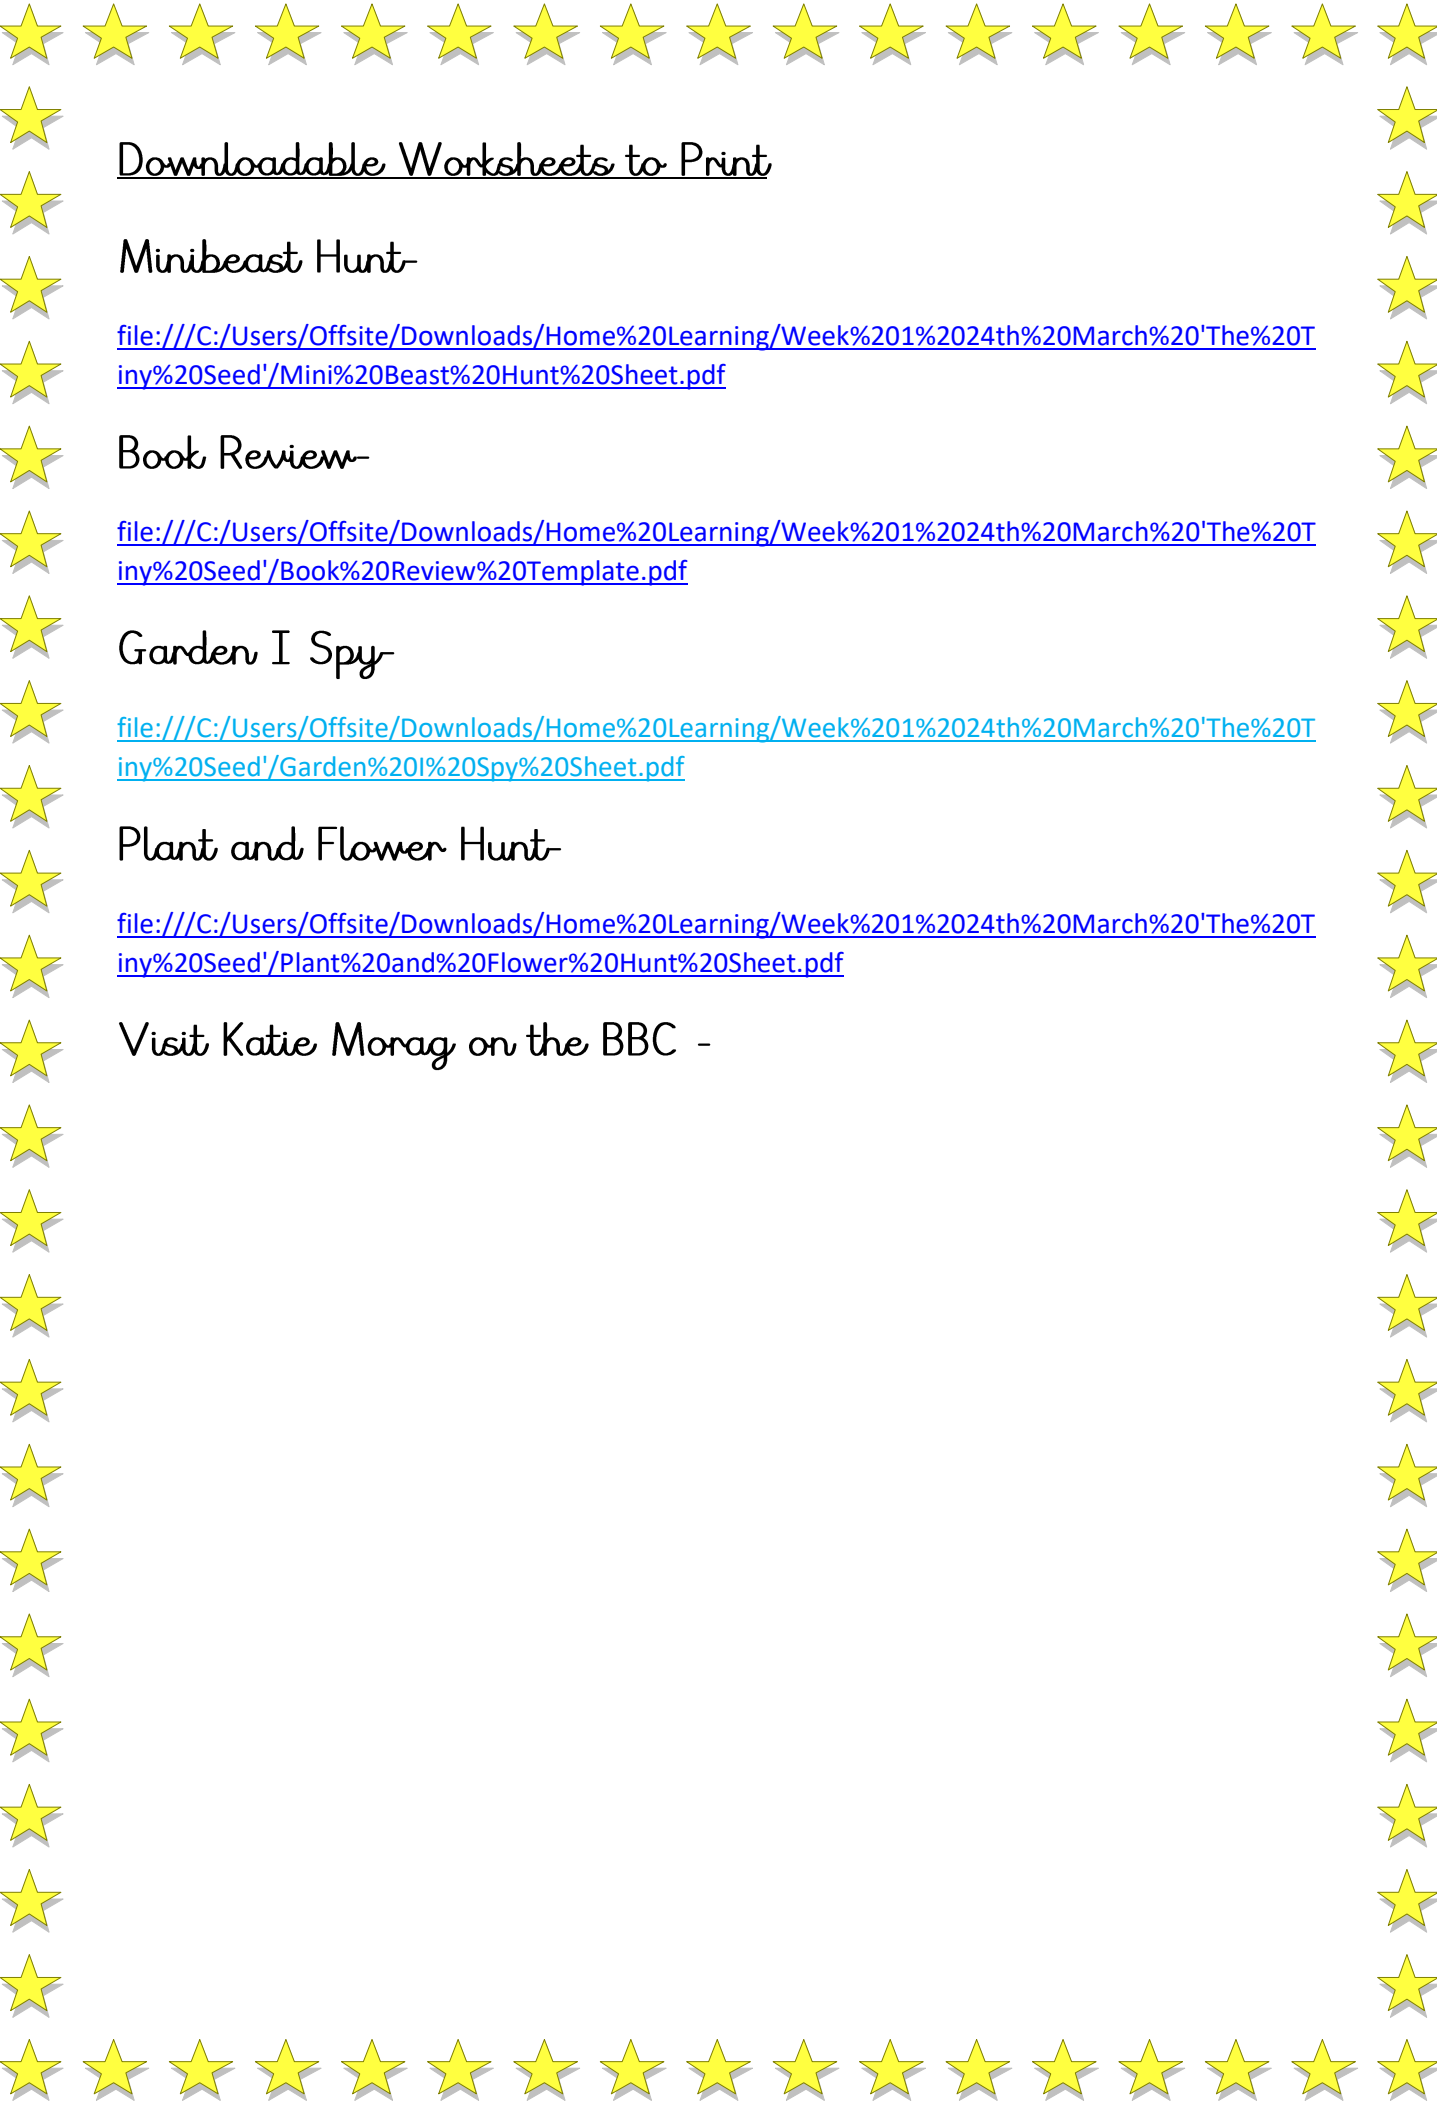

Make a garden collage out of old magazines, papers and craft materials.

Write a book review. Write/ draw your favourite part of the book.

Would you recommend it to others?

## Downloadable Worksheets to Print

### Minibeast Hunt-
