

Clams

Ingredients

- Round crackers
- Peanut butter, cream cheese, hummus, or cheese spread
- Yogurt-covered raisins (white)
- Raisins

Directions

1. Spread peanut butter, cream cheese, hummus, or cheese onto one cracker.
2. Place one yogurt-covered raisin off center in the peanut butter, cream cheese, hummus, or cheese. This is the bottom of the mouth of the clam with the “pearl”.
3. To make the eyes put two small dollops of peanut butter, cream cheese, hummus, or cheese onto the top of the other cracker about thumb width apart. Place a raisin on each.
4. Set the cracker with the eyes on top of the cracker with the pearl.
5. Take a picture of your clams. Eat and enjoy!
