

## Lakeside EYFS and KSI Home Learning

Hi All,

We have come to our final week of home learning! Thank you all for your perseverance this year! It really has been a testing time for everyone! Well done for supporting your child with their learning at home!

This week's activities are based on the book 'The Koala who could' written by Rachel Bright. A lovely story about coping with changes.

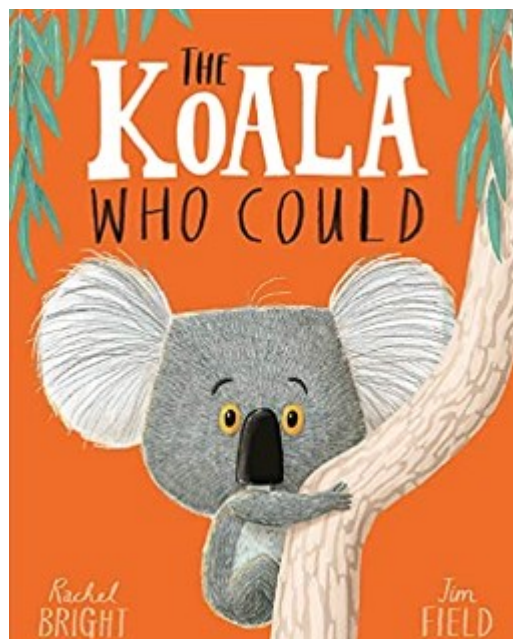

If you don't have a copy of the book don't worry, you can find Jana Banana's version on YouTube. <https://www.youtube.com/watch?v=Wmgxgat6HFI>

Attached are the suggested activities. Many of the activities can be adapted and done simply in a notebook, on paper or outside! Remember to go on the website for the accompanying resources.

Wishing you all the best.

Stay safe,

From all the Lakeside EYFS and KSI team.

Year group: 2

Lakeside Home Learning

Week beginning: 20.7.20

1) Each day please try to complete the daily essentials for **English**, **Maths** and **wider-curriculum** in the flags at the top of the page.

2) Then you can choose from the weekly choices below. Can you complete at least 1 from each colour?

## Daily Essentials

### English

Set yourself a challenge of how many books you want to have read by the end of this week.  
Can you achieve it?

### Maths

Practise the times tables that you find most difficult. Get your grown up to test you.

### Wider Curriculum

In French, learn how to say 'Hello my name is \_\_\_\_\_. I am \_\_\_\_ years old.'

## Weekly Choices

### Spellings

☐

Please practise these spellings ready for Y3:

answer

build

circle

early

group

minute

### Quick Fire

Play Hit the Button on Top Marks

☐

### Be active

Get outside, play a game with your family. Rounders, football etc.

☐

### Fractions

☐

Have a go at the 'Time problems' Worksheet (page 4 of this pack)

### Be helpful

Ask one of your grown ups if you can do a job to help them around the house.

☐

### Writing

☐

Write a short explanation titled 'What I am most looking forward to when we return to school.'

### Doubling and Halving

Have a go at the 'Doubling problems' worksheet (page 5 of this pack)

☐

### Learn a skill

☐

Practise typing on a keyboard. Use an online touch typing program or on a word processor.

When you have completed the Daily Essentials for **English**, **Maths** and **wider-curriculum** tick them off below

You can also tick off your weekly choices, (REMEMBER: pick a minimum of 1 a week from each colour)

Monday

Tuesday

Wednesday

Thursday

Friday

## Fun Fractions!

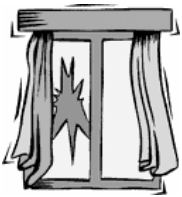

1. John breaks 1 of his 4 toy cars. What fraction has he broken?

2. There are 40 dogs at the dog show. Half of them are poodles. How many of the dogs are poodles?

3. Wallshill score 6 goals in a football match. Headby score half that number. How many goals do Headby score?

4. Helen has 15 smarties. Emma has double that. How many smarties does Emma have?

5. A storm breaks one quarter of the windows in a house which has 8 windows. How many windows were broken?

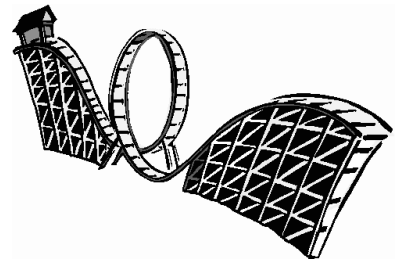

6. Jake makes 28 sandwiches. His mother said she only needed half that number. How many sandwiches should Jake have made?

7. In a box there are 24 oranges. You can only fit half of them into a bag. How many oranges could you fit into a bag?

8. There are 18 children in a class. One quarter of them are boys.

How many boys are in the class?

9. There are 20 people waiting for the rollercoaster ride. Each carriage can fit 5 people in it. There are 4 carriages. Will all the people fit on the ride?

10. A gardener is planting trees at school. She plants 15 trees at the front of school and double that number at the back. How many trees does she plant in total?

## Doubling Problems

1. In one packet there are 12 daffodil bulbs. There are twice as many bulbs in the tulips packet. How many tulip bulbs are there?

2. A truck has 8 wheels, how many wheels would be on 2 trucks?

3. On Monday Harry buys 14 stickers. On Tuesday she buys double that number. How many stickers does she buy on Tuesday?

4. James has a tube of 30 smarties. He eats half of them. How many are left?

5. There are 13 biscuits on a plate. Mum then adds another 14. How many biscuits are on the plate now?

6. A box contains 11 pencils. Harriet put another 12 pencils into the box. How many pencils are in the box now?

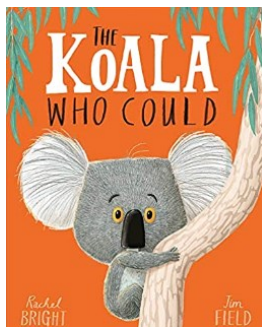

7. I am a number. If I add 2 to my number, then double the answer I get 20. What am I?

8. A baker has 12 tarts for sale. He sells half of them. How many are left?

9. 4 girls have arrived at Lisa's party. Soon double that amount arrive. How many girls are at Lisa's party altogether, including Lisa?

10. On one side of a road there are 15 houses. On the other side there are 16. How many houses are in the street?

Read/watch and discuss the story: *The Koala who could be*  
Rachel Bright

Link:

<https://www.youtube.com/watch?>

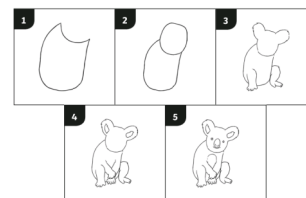

Kevin is a koala. Write a fact file about Koalas. Research some facts from the internet to help you.

**Amazing Australian Animals**

What They Look Like	Where They Live
What They Eat	Did You Know?

Draw a picture of your animal.

Learn how to draw a koala or a kangaroo!

Some unusual Australian animals are mentioned in this story. Use google to find out what these animals look like and have a go at drawing them!

Dingo

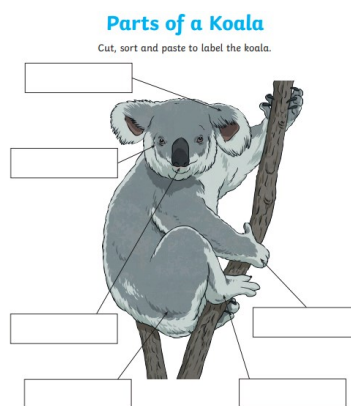

Wombat

Woodpecker

At the end of the story, Kevin the Koala learns that trying new things can be GREAT! Make a list of 5 new things that you would like to try!

Label the parts of a koala.

Australian Animal Antics!

Roll a die.

Look at the number it lands on and do the action.

1—Jump like a kangaroo!

2—Climb like a koala!

3—Slither like a snake!

4—Snap like a crocodile!

5—Crawl like a spider!

6—Fly like a bat!

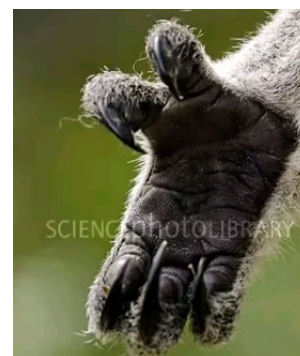

Watch the National Geographic Kids Video about Australia. Write down 5 facts that you find out.

<https://www.youtube.com/watch?v=fOPvMmTAUAQ>

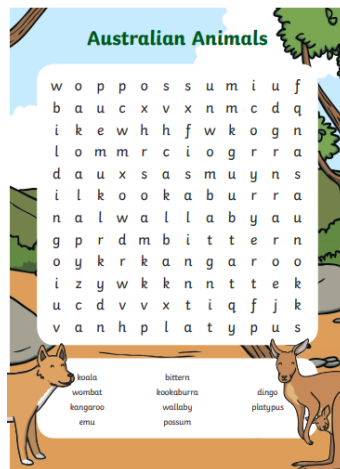

Koalas have 5 digits on their paws (3 fingers and 2 thumbs!) Pretend you have Koala paws and practise counting in 5s!

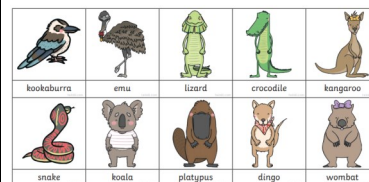

Write your own story about an Australian animal of your choice! Use the story planner to help you!

Have a go at the Australian animal word search!

Use the sorting sheets to sort the animals into different groups.

Make some Australian Fairy Bread!

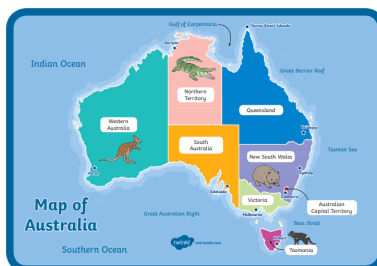

All you need is:-

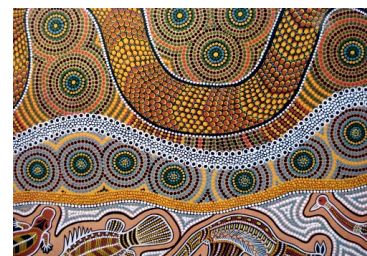

White bread, margarine and 100s and 1000s.

Write some simple instructions

Where in the world is Australia?  
What other places is it near?  
Look at the map of Australia.  
Which seas surround it? Find out some information about the different areas within Australia.

Find out about aboriginal art.  
Create your own piece of aboriginal artwork.

Watch some boomerang videos on YouTube (not JoJo Siwa!). Make your very own boomerang! Will it come back to you?!

Using a paper plate (or white paper) create your own 'Sydney Opera House' picture.

Find out about the Great Barrier Reef.

Find out how plastic pollution is killing sea turtles. List 3 things you could do to reduce the amount of plastic you use.
