**THE HARMONY TRUST**  
BELIEVE • ACHIEVE • SUCCEED

A huge thank you to everyone who donated money to our NSPCC Number Day! The money is currently being quarantined so the total will be counted up next week!

The costumes across school were incredible – a massive thank you to all the parents and children for putting them together! The 'Best Dressed' children were chosen from each Key Stage. We also chose winners of our colouring/avatar design competitions. Congratulations!

Our EYFS winners

Our KS1 winners

Our LKS2 winners

Our UKS2 winners

As well as dressing up, children across the school have been completing a range of Maths activities throughout the day!

### Nursery Number Blocks and Numbers!

Nursery and EYFS celebrated all things number! Some dressed up as their favourites—the Number Blocks and others dressed up as numbers! All their costumes were wonderful! In Reception they had a picnic and practised sharing items of food between 2!

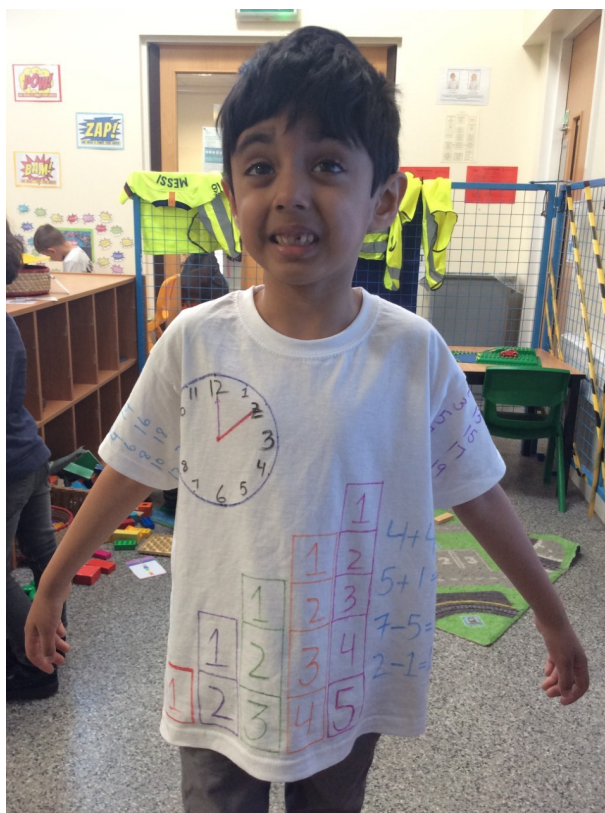

### Nursery:

Some very creative costumes!  
Well done  
Nursery!

# Reception

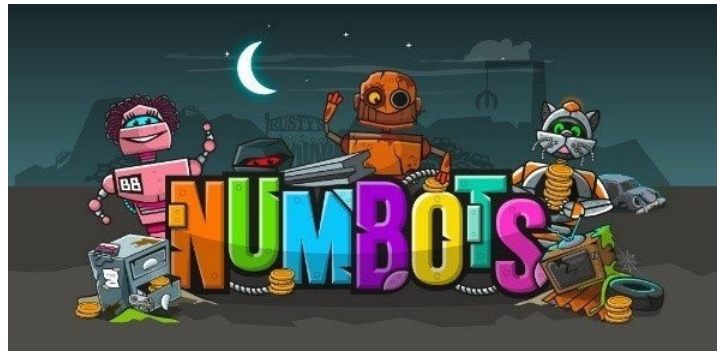

Wow! Some super costumes  
 Reception! Miss Nuell was very  
 impressed by your 'Super Special  
 Secret Step Squad' T-shirt Shayan!

Key Stage 1 have been celebrating the launch of NumBots—a new app which improves children’s recall and understanding of number bonds and addition and subtraction facts. They dressed up as Robots.

Year 1

Year 1 explored hundred squares in celebration of the Captain Tom 100 challenge.

Some fantastic costumes year 1! A special shout out to Annie whose robot costume had actual working parts!!

Year 2

Year 2 explored symmetry and finished 'building' the symmetrical half of a robot!

Some INCREDIBLE Robot costumes year 2!! Eli and Isla looked especially sparkly in their 'his and hers' robot costumes!

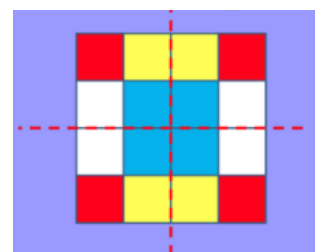

Key Stage 2 celebrated out relaunch of Times Table Rock Stars by dressing up as Rock Stars!! There were wigs, dyed hair, leather jackets, tutus, black boots, fake tattoo sleeves, blow-up guitars...and that was just Mr Hartness!!

Year 3

Year 3 explored reflective symmetry—designing Album covers!

Some amazing costumes Year 3!  
Thank you for making such an effort! Your costumes were all AWESOME!

★ Year 4

★ Year 4 were exploring how to add amounts of money.

★ Brilliant enthusiasm from this  
★ year group!! You were the  
★ loudest to shout 'ROCK ON!' as  
★ we took the photo!! It must be  
★ down to your enthusiastic  
★ teachers!

Year 5

Year 5 played the pirate game using a range of maths skills, including co-ordinates, addition, subtraction and multiplication!

Some very cool costumes year 5!

Year 6

Year 6 planned a summer holiday and used their budgeting skills to find out how much it would cost! Great work Year 6!

KS2 Times Tables Rock Stars Battle of the Bands

Congratulations to:-

Year 3 - Shirley Ann Jackson (194 points)

Year 4 - Marie Curie (168 points)

Year 5 - Sarah Storey (1622 points)

Year 6 - Marcus Rashford (1870 points)

Brilliant effort everyone! Remember to try and use TT Rock Stars as often as possible—even just for 5 minutes—to boost your multiplication fluency!

Thank you to everyone at Lakeside Primary Academy for making this day a huge success!
