Year 6

Summer

## Message from the class teachers:

This term, our Year 6 pupils have sat their SATs, and we couldn't be prouder of the effort, determination, and resilience they've shown in the lead-up and throughout these assessments. They have worked incredibly hard, and we are confident that they have done their best. We are now beginning to look ahead to the final part of their primary journey—an exciting time filled with celebrations, trips, and special activities to make lasting memories. There's so much to look forward to!

## An overview of learning this half term:
