A decorative border of yellow stars of various sizes surrounds the text. The stars are scattered along the top, bottom, and sides of the page, creating a festive and child-friendly frame.

Lakeside Nursery Home Learning

Hello All,

We hope that you are all well and have been keeping busy! A lot of you have been in contact to tell us how much you are enjoying the home learning activities that we have been providing - thank you - your feedback is very much appreciated.

This week the theme is another much-loved and well-known story "The three little pigs."

Attached are the suggested activities along with some downloadable activity sheets. If you don't have a printer don't worry. Resources for the activities are on the website and can be adapted and done simply in a notebook, on paper or outside. You could also contact school to ask for a printed copy.

Please also see the website for daily activities and keep talking lots together as well as reading and sharing stories daily with your child.

Wishing you all the best,

The Nursery team.

Read/ watch and discuss the story of the 3 little pigs.
